My name is Rita Brown. I am the granddaughter of Albert Brown. Am having trouble figuring out who is who . I know Lewis had two wives named Sarah, but who is his father...??? Am not certain if it is Berry. Is Aaron a member of the Cherokee Nation?

All of Albert's 12 children are now deceased including my father Ern Ellis Brown. Got your name from my cousin Kitty who said she used to email you.

I no longer have my tree as public because of photo theft.

Hi Rita,

Thanks for getting in touch.

I am afraid that I am at as much as a loss as you are about this Brown family. I know who my 3rd ggf is, John Brown from Floyd County, KY, but the only clue I have about his family is Berry Brown and a Wadkins woman and that there were two sets of wives who all had children.
But because my information is so sketchy I haven't actually worked on the question in years, I have some Brown information but I am afraid to base my tree on bad information and spend a lot of time and energy documenting someone else's line.

In answer to your question, have not researched Lewis Brown's line at all.

I took the Dna test in the hopes of finding my 3rd ggf family from his sister, Sue, who moved to Texas, I don't know if she married or not, but I expect she did. Also to try to see if I have ties to Berry Brown descendants, that seems to show that I do.

At any rate, every single thing I have, I post onto my tree, which is public. So feel free to browse it at your leisure. I make no claims that is is well researched or accurate as I have copied it from other members who also may be incorrect.

I truly wish I could be of greater assistance.

All the best, Cris

p.s. yes, I know what you mean about photos, I am forever having my own photos offered back to me..but my tree must be public to use the circle feature for DNA.

I am Genevieve fisher my mom is cordella hoadley her birth mother is Wanda Copley but she was raised as Rose porter and Robert hoadleys daughter. Yes no older people rest and my mother generation and mine hardly seem to get together unfortunately. I am sorry I don't remember you I was probably very young. I loved aunt Joyce unfortunately in her older years she suffered from dementia and lied a lot and hurt many people's feelings.

Yes the are family of Aaron Brown a son of Berry. I have sev yrs ago been in contact with a lady name Chris who has a tree on ancestry "Brown Family Tree and her name there is acb1030. She has had her DNA done and lists a direct ancestor of Aarons wife Elizabeth Louisa Wadkins Brown.
Think Louisa was a da of our Thomas Wadkins on grandma side. Have not e mailed her for a while but she is very interested in genealogy of the Browns.

To find a clear written copy of Berrys Application of citizenship and Application of witness go to Terrell Bradley Family of Richmond,Ind and is listed under gallery. Just one of many on ancestry that has that info in their documentation.

Breathitt County's historic past

THIS OLD PHOTO was taken in the early 1920s on the Brown farm at Noctor and shows three generations, left to right, John Brown, his grandson- John Wesley Brown, and John Wesley's father, Sanford Brown. Mary Lee Griffith, Jackson, who supplied the picture said her family did not have a print of this photo until it was given them by Mrs. Grace Williams of Lexington. Mrs. Griffith's grandfather, John W. Brown, was a friend of Mrs. Williams's brother who took the photograph. "Mrs. Williams will always have my undying gratitude for sharing the photograph with me," said Mrs. Griffith. Watch every week for another old photo courtesy of the friendly folk at The First National Bank and Parkway Branch, serving Breathitt County and the area for 76 years. We invite you to send your old photos for use in this space.

Yes Lewis is Alberts father so stated in grandpas death certificate and obit. I did a lot of research on Aaron in the past as another researcher felt for sure that Aaron was Lewis father and not "Jim" as listed on his death certificate. Reason I thought maybe it was Aaron was because in 1840 census Aaron had 2 boys under age 5 and Lewis was born in 1836. Unable to find Aaron or Lewis in the 1850 census. The other son under age 5 for Aaron 1840 census was David Brown and he always lived near his father -pretty much next door. No other tree on ancestry has addressed who this other male child was in 1840 census and maybe the child died?? but could it have been Lewis???

Aaron was listed on Lewis marriage papers but was it as a father or uncle.??

Berrys Aaron moved to Mt. Sterling (Louisville) area and I kept getting confused as also in the area was a colored Aaron Brown=same time period.So more than one Aaron Brown as there is more than one Berry Brown in military records.
In the searching I have done I have not found our Aaron Brown was in military.

I am sorry but I am so basic with computer knowledge. Maybe da can help me with this==had to open with an app???. That picture you have on find a grave of grandpa-no one can look at it and say there is not some indian heritage.

Some ancestry tree said berrys "JIM" married an indian woman. Cant remember what tree now. That is why so interested in finding picture of Lewis. Mystery mystery

Hi Rita,

John Brown who married Nancy was a son of Berry Brown. Will look in my records but can not remember a middle name for our great grandfather Lewis Brown.

Happy for you that you have found some cousins on your mothers side.

Is it Johnny and Nets kids you are trying to find? Annies da Connie has a private ancestry tree=think her name was Blackburn.Connie's sister Murk died a few yrs ago. Haven't seen them for a long time.

I do know that Linda (Johnnys da) kept in touch with Connie.

Go on facebook to Lindsey School and they had a picture think was 1943 and in the school class picture was Johnny and Marilyn. Was a neat class picture maybe 3rd or 4th grade school picture. Check it out=have never see it before.

kittie5307@roadrunner.com Nov 26, 2018, 11:05 PM (15 hours ago)

I checked and the facebook page is Lindsay Grade School==I had misspelled it Lindsey. The year was 1937 and Johnny and and Marilyn was about 11 yrs old.

I loved the family 1932 picture. The front row would be Annie, Dude, Marilyn and Bushy.
Did you ever read the newspaper Portsmouth Times article where grandpa and grandmother house burned during a Christmas season and Annie went back in the house and rescued Johnny? I copied it one day when at library and can look it up for the date. Ancestry has Ports times .

The picture of the guys playing= my dad played the guitar but he never felt he was very good at it. Butchs da has dads guitar now. I am sure not a GIBSON as dad never had that kind of money to buy one. Seeing the picture of young dad makes me question the other picture you had sent that my siblings thought was dad in CC camp days because that would have been middle 1930s before I was born.

Been sitting here smiling and looking at the family 1932 picture. Nice looking guys all of them. Check out grandpa he has on his BIBS but also has suspenders on. Reckon he had on another pair of pants under his bibs??

Since I have no idea what Lewis looked like but the lady beside him does not look like the lady Sarah Jane we have pictures of.

Thanks for the picture but tell me more about it.

Yes thanks. The first one I found a negative in some of moms old letters and had it developed and it was this picture. I made a copy for my bros and sister.We think maybe it could have been when he was in CC camp. The last picture is one I have thanks to you sharing earlier.

Got out my magnify glass but still can not make out faces. Can you enlarge and send me the man ro rhe left of the other man you had sent. Looks like he has a long white beard and dark hat.. Sometimes when taking these group pictures the immediate members kinda group together-husband, wife and children around each other. Looks like he has a dark haired lady beside him.

Everyone seems to be dressed in their best finery. Men wearing suits and ties. In the smaller picture a person I thought a man with black hat was a lady wit hair do or hat. The man in the front row you thought Albert is quite handsome and maybe his wife right beside him sitting down.
The women look like their style of dress was the GIBSON GIRL era have to look up dates for that. I will check on ancestry and see if some pictures up the younger Browns.

Rita,
That is very interesting. I have tried to determine just who was our gggrandfather(Lewis Browns father).Ancestry trees some says Berry, some think Jim, others think Aaron. Not making much headway with this and also looking for a picture of Lewis. Surely a picture exists somewhere with someone.
I would be very interested to learn of your new progress . In my researching I think I may have found another son of Berry that no one has listed in any of their trees. Cant say for sure but trying to find more documentation.
Have you ever done your DNA?

I have not but think next special DNA offer I may take the test.

You were so open and sharing with your ancestry tree prev is there a reason you made it private?
I made contact with a cuz that is associated with grandpas sisters family just this week thru ancestry. Will share with you any new info there.
One question I have is why grandpas sisters went to OK Indian territory before they moved to Portsmouh from Greenup. Do you know why?

Thanks for answering back and hope to hear from you soon.

Belated happy couz day to you. Did not know there was even a cousin day that is how smart I am.

Have you ever done your DNA? I have not and thought maybe next special Iwould and see Ancestry has their 79 dollar special now. A cuz I met online was very disappointed in her DNAresults.--but I saw on ancestry there was a person listed as direct dec of Berry.

You asked about cousins we still have and I kinda reviewed who is still alive. Noah--his 4 children , Lil-none, Joe-think maybe Joyce but don't know, Annie-Connie and Murk but last time I saw them Murk was very ill, Johnny-not up to date with his family, Todd not up to date, Whitey of course ==you, Murky-her son Kenny still in cols last I knew, Bushy ??, Bag ears=? Dude=?? So I guess no doubt we still have quite a few cousins still alive. Maybe you know more about them than I do. I see some of our family have trees, Tod, Bushy, Joyce, and Annies families. I have not contacted any of them tho--have you??

About OK. Pearl was married in OK indian territory to Charles Litteral in 1904. Think first time Lewis and his family in ports census was 1910 and Pearl age 23 in Lewis household with no mention of Charles.There was in 1910 a 4 yr old grandson Kenna born in Ok listed tho.

When checking Litteral I think he was listed as Greenup where he was born so why they ventured to OK guess who knows??

Since you sent the picture enlarged I have looked at it closely. It is a treasure find no matter whos family it is.

Everyone seems to be dressed in their best finery. Men wearing suits and ties. In the smaller picture a person I thought a man with black hat was a lady with either a big hair do or hat. The man in the front row you thought Albert is quite handsome and maybe his wife right beside him sitting down.
The women look like their style of dress was the GIBSON GIRL era have to look up dates for that. I will check on ancestry and see if some pictures up there of younger Browns.
Will put your article in mail tomorrow.

Will get your article in mail over the weekend. I had it ready to go this am but remembered another newspaper article where Grandpa had saved 2 people from drowning in the river. Cant remember if I mentioned that article to you or not.

Will go to lib and have them print it off so will be large enough to read.

Have a nice weekend. This weather is so beautiful. Our trees not turning yet-weatherman said we need rain to make them turn their beautiful colors.

Was his middle name Ellis? or did it start with an E?
Found an 1870 Census listing a Lewis E Brown as the one yr. old son of John Brown and Nancy Montgomery Brown

Hope things have been going ok for you. Have found a lot of cousins (living) on my Mom's side but still cannot locate Johnny's kids

Hi Rita,

John Brown who married Nancy was a son of Berry Brown. Will look in my records but can not remember a middle name for our great grandfather Lewis Brown.

Happy for you that you have found some cousins on your mothers side.

Is it Johnny and Nets kids you are trying to find? Annies da Connie has a private ancestry tree=think her name was Blackburn.Connies sister Murk died a few yrs ago. Havent seen them for a long time.

I do know that Linda(Johnnys da) kept in touch with Connie.

Go on facebook to Lindsey School and they had a picture think was 1943 and in the school class picture was Johnny and Marilyn. Was a neat class picture maybe 3rd or 4th grade school picture. Check it out=have never see it before.

I was on ancestry and found our cousins have lots of trees but a lot are private.

Joyce Langs family, bushys family, Todds family, Annies family, and aunt violets family.

If I get to library I will have them make a picture for you of the class picture of Johnnie and Murk.

Lets try again--on the very top of your facebook page type in Lindsay Grade School and push enter. The site will have a school picture come up then scroll down till you find the class picture.

Janie Brown, Albert's wife mentioned your side of the family but did not like them, I thought. The only evidence I have that you all exist are the names on Lewis application for a Civil War pension. He implied that these children were Sarah's and not his. It is more confusing that both of Lewis' wives were named Sarah.

I know, it's strange, my aunt didn't even that there was another family until I started to do the Brown family tree. My grandfather's father, George, who was Lewis's son drowned in the Ohio River in 1915. The family had lived around South Shore and out Route 7. Great Grandmother and Grandfather, George and Rebecca are buried up on the hillside off route 7. I thought maybe you had more info than I do. I live in Hillsboro. Thanks.

Lewis was my GG grandfather. My grandfather was George Brown. I have read the death certificate that is on Lewis' overview,

and that it said Jim Brown was his father, all information I have found says that Berry Walker Brown was his father. Do you have a birth record saying who his father was? Dennie Brown was my grandfather and his oldest daughter, Vada was my mother. She lived in Still Holler for several years. My name is Phyllis Burns. I live in Hillsboro, Ohio and would greatly appreciate any information. Thank you.

Our line goes, Me, Vida Brown Helterbrand Lewis, Donnie Brown, 1896-1974, George Brown-1915, Lewis Brown, Berry Walker Brown, William Brown, Dale "Who" Brown, William Brown who was married to a Cherokee, b 1725, William Brown, b1702in England and came to America in 1722. I'm not sure where Bryan is, what part of Ohio?

Let me see if I have the relationship clear. You are Lewis Brown's granddaughter. Berry Brown is Lewis' father. Who is Dale? Who was Lewis' mother? Gosh, I wish I lived closer. I live in Bryan, OH where they make Dum Dum suckers and Etch-a-sketch.

It does seem strange, I noticed in his obit that none of them were mentioned. My great grandfather was George and his brother Harvey are the only ones that I've become acquainted with. Harvey came to Highland County, Ohio also, I know his descendants. Are you familiar at all with where Berry or Dale are buried? It's so nice to talk with you. My great grandparents lived in Still Hollow. We still have some cousins in the area, but most of the ones I knew are gone.

You just blew my mind. My research has only gotten as far as Berry Brown who I thought was married to the Cherokee. You also answered when the Browns came to America. What is the name of your family tree and may I have permission to view it? So to clarify was Vida Lewis Brown's mother?

Bryan, OH is about 1 hr. west of Toledo right in the NW corner of Ohio bordering MI, and IN. I do not know why my father, Ellis "Whitey", uncle Ralph "Dude" and Ernest "Johnny" moved to Newark, OH in or about 1946.

Half of Albert's children were light complexioned and half were dark. also
Albert's youngest son was named William but called "Todd."

How far are you from Sciotoville? Perhaps in the summer I could make a trip down and we could meet. I am so happy that you contacted me. Albert had 12 children. They are all dead now as is he and his wife Jane.

If I could have your mailing address, I would like to send you a copy of a photo which I am pretty sure shows a reunion of the Browns (the ones you speak of). I know no one in it but Albert.

Nathan has two kinds of women those he bosses with a iron fist and those who rule him.

He was ridiculous to searia, they both brought home over $700a week and he gave her 60 bucks a month for her house food budget. I don't blame her. It is sad. But I really hope he doesn't go back to drugs.

Corrie

Judi has turned him into a mountain man, searia turned him into a muscle man. Lol

Cute gabled house

vacations with searia. Loves judi is snooty, not his usual women, per his words. But he enjoyed drug life. Still talks to drug friends. Searia and he were in church most of the marriage. But both got good jobs. Then once she got him to let her have her own pay check the separated. Nathan is completely female dependant. He always has a woman or 10.

Corrie

Nathan his wife and 3 sons

Rita

So he has custody?

Corrie

Judi marthey is the girl friend, my age. I don't care for her. She and Nathan started dating the week after Nathan wide moved out

No

They share completely, 7 days each parent back and forth no child support
Rita

How old is Nathan?

Corrie

And she gave him the hose

Nathan 10 years ago knocked up a 18 year old girl while he was a full blown crackhead.

Best thing that ever happened to him
Rita

Ok have gone into overload. Have to go to rehab center to visit my friend who just had back surgery

Corrie

Her family helped with credit and a house she let him have. Him and his wife still love each other and mess around behind the girl friend but Nathan is a control freak and searia, never wants to live with him again lol
Rita

She should run

Later

Corrie

Oh ok, I will try to answer anything I missed ignore it until you have time lol

Lol

The gf lives the house. Gf has 2 teenage daughters.. she may want to run as well. Lol

Nathan has dated his gf daughter's before.

His ex wife. Who got pregnant the summer she graduated. Her mom and I went to high school together. Searia is 6 months older then Nathan's oldest son Nichols. She was born fall of 1989.

She was Nathan's second wife.

Nicks mom they were never engaged or married, but Nathan has two others he was in long term relationships with that ended right before marrige.

Nathan has been in and out of jail, 1 wife was a slut they picked up girls in the bar together. For sex, "best wife ever". Nasty drug addict nurse.

He got almost 30000 when his mom died he drugged up. Then stole from aunt joyce.

Aunt joyce got 10,000 from that lady aunt joyce and charolette took care of. Aunt joyce bragged to Nathan and kept teasing him. When she lived with mary. She was going to give it to him. But he would come and she would give him 100. Not full 5000, she promised. Then he stole her checks. Was in jail about 2 years but got out of most of it.

Kevin worstell still doesn't talk to Nathan. Lol

Nathan will be nice to you. And seem fine. He is 100% changed but I don't trust him. He liked having credit and new cars,

Never married the mom.

I ended up being pretty close to carol.

She was rotten some times forsure. Cheated me more than once. Lol

But she told me when she was younger, larry was the only boy, rose was the pretty one, mary was the sickly one, so she was the mean one to get attention.

She started as a child, and she did not want to be mean anymore. But she didn't know how to stop. And she really felt bad about it and she was very sorry.

She changed her last year or two but no one was really around or gave her a chance.

Anyway I just for whatever reason needed to tell you that. Take care, I love you

Corrie

Corrie - No to be honest she did

Rita - Smuckers?

Corrie - Wanda is her own worst enemy. Oh they all worked there.But Smucker store sold the kitchen. They were cooks for employees so not Smuckers employees. My Mom had bad bleeding always sick and lost her job. Mary got a State job and Carol followed.

Rita - Wanda had the bleeding or Rose?

Corrie - Rose

Rita - What type of bleeding?

Corrie - (Rose) Always sick...always dying...my whole life. Perid, clots, transfusions, D & Cs. She lost several jobs when she would be hospitalized.

Rita - Oh my!

Corrie - Funny I had the same and she(Rose) was not my blood (birth) mom.

Rita - But she was blood

Corrie - She (Rose) had a bad hysterectomy and they cut her from sternum to tube and across her hips. She never recovered from that. Yes true. Lived maybe 5 yrs. after

Rita - Lord have mercy.

Corrie - Yes, they cut nerves to her (Rose) leg, but she did not really complain.

28 Nov 2018

Rita - Sorry

Corrie - You know I ended up taking care of them all.Even Gen's Dad's grandparents would have taken care of Aunt Joyce but she was crazy. I loved her but she got hurtful.

Rita - She was that…I quit making the 4hr. Drive to see her when she tried to make talk to her "magic" ring.

Corrie - Hurt my daughter's feelings…it was sad…we loved her. Everyone else just wanted to use her. Kevin's kid told Gen once that she wished Aunt Joyce would die soon so they could get her money.

Rita - I always assumed she had no money.

Corrie - Gen was so upset. It was after she (Joyce) was saying stuff about me.Oh…lol.Somehow she got Uncle Bob's check in his name. Got that farm paid off.

Rita - Probably his Social Security

Corrie - Sold it for over $150.000 and bought that crappy house on credit.

Rita - Be back in a few, Buster wants out.

Corrie - Over 25,00 in his name and over $2,800 in her from Owens Corning.She needed more then. And she gave money away. I never asked but Carol and Mary got money off her… Phyllis did every month and had her buy stuff.

Rita - That house in Mt. Vernon was awful..and not be mean but she had really lousy taste…her furniture was uncomfortable and butt ugly.

Rita - Sorry.

Connie - You know I ended up taking care of them all.Even Gen's Dad's grandparents would have taken care of Aunt Joyce but she was crazy. I loved her,but she got hurtful.

Corrie - LOL. She went shopping with Phyllis to buy that. Bought Phyllis some too. Same with carpet…and awnings.

Rita - Then they both have bad taste or Phyllis did it deliberately.

Corrie - Carol and Mary were in on the hose. I offered to help but I wasn't Aunt Joyce's choice.

Rita - And the damn dog, Cujo

Corrie - Well carpet was exactly the same. I ended up with the couch.

Rita - Her apartment in Mt. Vernon was better.

Corrie - She gave it to Mary and and they gave it to me.

Rita - Who buys single size beds for guests?

Corrie - Oh, I never saw it. LOL. Phyllis did the whole move to mt. Vernonia and nursing home.

Rita - and next to a cemetery.

Corrie - Oh yeah that house…foundation was bad. She spent $10,000 to fix it.

Rita - All the rooms were tiny.

Corrie - And I had to strip drywall, clean black mold, fix and pain and mold seal. Back bedroom was awful.

Rita - I never saw the farm or the race horses.

Corrie - Rena (Larry Porter's daughter) had Aunt Joyce co-sign and messed up Joyce's credit. So she did not buy a house

Connie - LOL. She went shopping with Phyllis to buy that. Bought Phyllis some too. Same with carpet...and awnings.

Rita - Then they both have bad taste or Phyllis did it deliberately.

Connie - Carol and Mary were in on the hose. I offered to help but I wasn't.Aunt Joyce's choice.

here.Oh, it was an unfinished house...the owners had built and are going to tweak it but never did.
Mary moved her (Joyce) up here...then they fought. Aunt Joyce wanted me to help her, but I told her she would have to live on my route cause I couldn't drive extra.

Rita - Route? Why did she (Joyce) stop driving?

Corrie - I worked til 10pm then went to North Lawrence to change Gen's bedridden Grandpa...then home. I could stop in on her...but I wasn't adding extra driving.You know I am the poor person, of everyone...always scaring buy...always shitty car. Glad to help but I had my kid out every night...rain or snow past 11 pm . I could stop in several times a payday if she (Joyce) was somewhere close or on the Rt 30 side of town.That is how she ended up in the trailer. Not cause she was poor. I never lived there. I went over for breakfast and meds...meaning I cooked breakfast at my house and took her a plate.

Rita - What was your job, again?

Corrie - Did what she needed, then checked on her at night.Then I was a Driver's Ed Instructor. I taught classes everday...often if she wasn't well Gen (Corrie's daughter) stayed with her.Weekends, I taught Saturdays and drove Sundays.

Rita - OMG! Then you were with assholes all day...sorry.

Corrie - Driving I could stop in or get stuff easy...Lol teenagers.

Rita - You must have nerves of steel.

Corrie - Lol. I liked it but I went into drug and alcohol counseling for better money. But I wasn't helping Aunt Joyce then. You know Mary and Joyce forged a theft of jewelry for thousands of dollars? Against Joyce's insurance.

Rita - What?

Corrie - Mary got scared and wanted me to cover if they got caught…I said no.
Mary filled out paperwork that jewelry was stolen…over $2,000 dollars worth. They got a check…cashed it…spent it.

Rita - Why did Joyce not move her ugly furniture to the trailer?

Corrie - She gave Mary her couch before that. I think she got new. I think chairs, if I remember. She moved them. Remember she did.

Rita - All she had when I visited was that ugly lift chair.

Corrie - Flowered couch with blue stripes and huge roses…yeah couch went to Mary.

Rita - I was shocked at how little was in the tailer that's why I thought she had no money.

Corrie - Joyce moved to Buckeye St. with Mary…then they got in a fight and Joyce moved to Elm.Then made up to Mary…moved Mary to Elm.Then fought…moved by me…Mary would not speak to her (Joyce)Then back to Orrville in the slums. Can't believe they moved her there…where people get shot.Then Phyllis moved her (Joyce) to Mt. Vernon.Then nursing home best I know. I thought Mary had balls wanting my help over the insurance fraud. Lol

Rita - Never knew about the slums. Several times I drove up and met her and Mary at Sandusky for lunch. Mary never mentioned you.

Rita - What?

Connie - Mary got scared and wanted me to cover if they got caught...I said no.
Mary filled out paperwork that jewelry was stolen...over $2,000 dollars worth. They got a check...cashed it...spent it.

Rita - Why did Joyce not move her ugly furniture to the trailer?

Corrie - It was just a bad apartment complex…known for bad things…no.

Rita - Where Mary lived was pretty bad.

Corrie - They were fighting when they came to visit you. But Aunt Joyce gave her money….No…Only really the one apartment complex is bad —Lamp Light Court , Ella St. Orrville is a nice town. It is just it used be if something bad hap[pend it happened there.

Rita - Remember one time Joyce made me take her to a couple of nursing home to check them out.

Corrie - None of our family ever lived there ow would…not even Nathan (Carol's son) and he has been homeless.I should have stuck with her…she wanted everyone to fight over her…Fight over her money…Phyllis and Mary…I am not like that.

Rita - She (Joyce) was never specific about the money and because of the way she lived, I thought it was a figment of her imagination.

Corrie - I would rather be poor. You want to be nice or do something nice for me, OK. But I don't beg and I don't compete…and I don't pretend I like you more than I do.No that boyfriend…dick too…she had CDs.

Rita - Yeah, he was a creep…and I used to get grossed out when she talked so openly about sex.

Corrie - But they spent them and the lady (?) in Mt. Vernon…I forget her name stole money in a fake investment scam.Yes she loved doing that to Mary. I just never reacted so I never got that shock talk…lol. She said awful things to Mary about Carol being dead.

Connie - It was just a bad apartment complex...known for bad things...no.

Rita - Where Mary lived was pretty bad.

Connie - They were fighting when they came to visit you. But Aunt Joyce gave her money ...No. .Only really the one apartment complex is bad --Lamp Light Court , Ella St. Orrville is a nice town. It is just it used be if something bad happened it happened there.

Rita - Remember one time Joyce made me take her to a couple of nursing home to check them out.

Connie - None of our family ever lived there ow would...not even Nathan (Carol's son) and he has been homeless.I should have stuck with her...she wanted everyone to fight over her...Fight over her money...Phyllis and Mary...I am not like that.

Rita - She (Joyce) was never specific about the money and because of the way she lived, I thought it was a figment of her imagination.

Connie - I would rather be poor. You want to be nice or do something nice for me, OK. But I don't beg and I don't complete...and I don't pretend I like you more than I do.No that boyfriend...dick too...she had COs.

Rita - Yeah, he was a creep...and I used to get grossed out when she talked so openly about sex.

Connie - But they spent them and the lady (?) in Mt. Vernon...I forget her name stole money in a fake investment scam.Yes she loved doing that to Mary. I just never reacted so I never got that shock talk...lol. She said awful things to Mary about Carol being dead.

Rita - I never reacted but it grossed me out. It was unseemly.

Corrie - Yes, I bet…she (Joyce) did tell me a nurse shaved her for surgery and cut off her clitoris.

Rita - Ewwww.

Corrie - I told her (Joyce) to stop it that was ridiculous and impossible. Try again, I know better. Lol.

Rita - Younger she (Joyce) made really great fried potatoes. And she was there in the emergency room the last time my Mom was admitted.

Corrie - Tried saying, Uncle Bob sucked it hug…So it hung out… lol…yes she did…loved her tea…Sorry, that was only sex talk she (Joyce) gave me. And when I went into great detail of how razor blades were not large enough…and would not stop…she never did it again.

Corrie - She could be great. I loved her…but then I find out she was bad in many ways. Sexual molester…I don't understand… she (Joyce) was an enjoyable person…I loved her…hindsight is 20/20. But I never realized.

Rita - She molested whom?

Corrie - Well you know she (Joyce) was known to have sex with her sister's men…(she) married Charolette's boyfriend.

Rita - Really?

Corrie (Joyce) Sexually approached , Ray , Charolette's son. He moved out of Mt. Vernon and never came back for his things. Yes. You did not know that?

Rita - I never needed but it grossed me out. It was unseemly.

Corrie - Yes, I bet...she (Joyce) did tell me a nurse shaved her for surgery and cut off her clitoris.

Rita - Ewwww.

Corrie - I told her (Joyce) to stop it that was ridiculous and impossible. Try again, I know better. Lol.

Corrie - Well you know she (Joyce) was known to have sex with her sister's men...(ahs) married Charolette's boyfriend.

Rita - Really?

Corrie (Joyce) Sexually accosted , Ray , Charolette's son. He moved out of Mt. Vernon and never came back for his things. Yes. You did not know that?

Rita - Ewww. No (did not know)

Corrie - Yes, she (Joyce) did bad things to Charolette… Karen (Charlotte's daughter) refused to let her (Joyce) see her for a couple years. Until she (Charolette) was dying…then one supervised visit.When Charolette was dying.

Rita - Do you think it was because Grandpa Copley molested her?

Corrie - Please don't say anything, Bryan told a mutual friend. He does not know I know…..a counselor friend (of mine)…I saw his file. Yes. For sure.

Rita- She molested Wanda's son? OMG!

Corrie - She kissed tongued Nathan (Carol's son) as a kid; She (Joyce) and Carol got in a fight. Yes, from young (age) at least 7 yrs. old. I wonder about her step-sons.

Rita - I flat out asked Aunt Charlotte once and she indicated it was true that Grandpa Copley molested her, Lucille and Jackie, but she could not bring herself to actually say the words.

Corrie - Aunt Joyce was getting crazy. But day before my last day with her, she was talking about how she was her Daddy's favorite, cause she could do it better than the other girls. She was her Daddy's ring (fucking?) her the best….

Corrie - It made me sick…I just ignored her…so gross…I don't remember all she (Joyce) said but the voice creeped me out.

Corrie - She (Joyce) never did it to me before…she was like in a trance talking…like there remembering

Rita - Ewww. No (did not know)

Corrie - Yes, she (Joyce) did bad things to Charolette... Karen (Charlotte's daughter) refused to let her (Joyce) see her for a couple years. Until she (Charolette) was dying...then one supervised visit.When Charolette was dying

Corrie - Aunt Joyce was getting crazy. But day before my last day with her, she was talking about how she was her Daddy's favorite, cause she could do it better than the other girls. She was her Daddy's ring (sucking?) her the best....

Corrie - It made me sick...I just ignored her...so gross...I don't remember all she (Joyce) said but the voice creeped me out.

Corrie - She (Joyce) never did it to me before...she was like in a trance talking...like there remembering

Corrie - I tried to talk myself in to her messing with me, but finding out about Bryan and....

Rita - My Mom never left me alone with him...sick

Corrie - You know about her brother, Bob?

Rita - What?

Corrie - Ok, I will tell you my side first...Bob inOregon. She (Joyce) one year started saying she wasn't going back to Oregon cause Dorcus was confused and didn't want her...early 199s, I think

Corrie - She said Dorcus was saying she wrote Uncle Bob and asked him if she could come out (Calif.) ...could they have sex like when they were kids cause she needed a good.... But she never did.

Rita - ?????

Corrie - Aunt Joyce was visiting Bob, talking about him then they never wanted to see her again. Gaylene found the letter from Aunt Joyce.

Corrie - Read it, they had a big family blow up and on to of it Bob molested both his daughters.

Corrie - Gaylene said he denied it. Same voice he denied molesting her. And she knew he was lying.

Rita - OMG! It's generational

Corrie - I have never been molested.
But yes
Bad
I pray none of my age...
It is awful

- Gen wonders why cylde did that how far back. But yes. Your lucky.. grandpa was a bad man.. wanda says he did her.. but she can be a nut.. my mom and carol were touched, fondled as my mom said. Ok, sorry..

Goodnight. . Love you..

This is bad I thought you knew.. and like with everyone else.. we were just avoiding the monkey in the room.

I wish my mom was alive when I heard half of the crap. The parts I did not know.. it is sad.. all of it..

That is why I don't understand grandma cora being with clyde. But your the first to talk about him being gross. My mom always talked about him trying to grab you and touch under your dress. And how her and carol took him food and ran. Why would someone send a child near that.

Unreal to me.. grandma seems like such a bad mom...

Corrie - No to be honest she did

Rita - Smuckers?

Corrie - Wanda is her own worst enemy. Oh they all worked there.But Smucker store sold the kitchen. They were cooks for employees so not Smuckers employees. My Mom had bad bleeding always sick and lost her job. Mary got a State job and Carol followed.

Rita - Wanda had the bleeding or Rose?

Corrie - Rose

Rita - What type of bleeding?

Corrie - (Rose) Always sick...always dying...my whole life. Perid, clots, transfusions, D & Cs. She lost several jobs when she would be hospitalized.

Rita - Oh my!

Corrie - Funny I had the same and she(Rose) was not my blood (birth) mom.

Rita - But she was blood

Corrie - She (Rose) had a bad hysterectomy and they cut her from sternum to tube and across her hips. She never recovered from that. Yes true. Lived maybe 5 yrs. after

Rita - Lord have mercy.

Corrie - Yes, they cut nerves to her (Rose) leg, but she did not really complain.

Rita - Sorry

Corrie - You know I ended up taking care of them all.Even Gen's Dad's grandparents would have taken care of Aunt Joyce but she was crazy. I loved her but she got hurtful.

Rita - She was that…I quit making the 4hr. Drive to see her when she tried to make talk to her "magic" ring.

Corrie - Hurt my daughter's feelings…it was sad…we loved her. Everyone else just wanted to use her. Kevin's kid told Gen once that she wished Aunt Joyce would die soon so they could get her money.

Rita - I always assumed she had no money.

Corrie - Gen was so upset. It was after she (Joyce) was saying stuff about me.Oh…lol.Somehow she got Uncle Bob's check in his name. Got that farm paid off.

Rita - Probably his Social Security

Corrie - Sold it for over $150.000 and bought that crappy house on credit.

Rita - Be back in a few, Buster wants out.

Corrie - Over 25,00 in his name and over $2,800 in her from Owens Corning.She needed more then. And she gave money away. I never asked but Carol and Mary got money off her… Phyllis did every month and had her buy stuff.

Rita - That house in Mt. Vernon was awful..and not be mean but she had really lousy taste…her furniture was uncomfortable and butt ugly.

Corrie - LOL. She went shopping with Phyllis to buy that. Bought Phyllis some too. Same with carpet…and awnings.

Rita - Then they both have bad taste or Phyllis did it deliberately.

Corrie - Carol and Mary were in on the hose. I offered to help but I wasn't Aunt Joyce's choice.

Rita - And the damn dog, Cujo

Corrie - Well carpet was exactly the same. I ended up with the couch.

Rita - Her apartment in Mt. Vernon was better.

Corrie - She gave it to Mary and and they gave it to me.

Rita - Who buys single size beds for guests?

Corrie - Oh, I never saw it. LOL. Phyllis did the whole move to mt. Vernonia and nursing home.

Rita - and next to a cemetery.

Corrie - Oh yeah that house…foundation was bad. She spent $10,000 to fix it.

Rita - All the rooms were tiny.

Corrie - And I had to strip drywall, clean black mold, fix and pain and mold seal. Back bedroom was awful.

Rita - I never saw the farm or the race horses.

Corrie - Rena (Larry Porter's daughter) had Aunt Joyce co-sign and messed up Joyce's credit. So she did not buy a house

here.Oh, it was an unfinished house...the owners had built and are going to tweak it but never did.
Mary moved her (Joyce) up here...then they fought. Aunt Joyce wanted me to help her, but I told her she would have to live on my route cause I couldn't drive extra.

Rita - Route? Why did she (Joyce) stop driving?

Corrie - I worked til 10pm then went to North Lawrence to change Gen's bedridden Grandpa...then home. I could stop in on her...but I wasn't adding extra driving.You know I am the poor person, of everyone...always scaring buy...always shitty car. Glad to help but I had my kid out every night...rain or snow past 11 pm . I could stop in several times a payday if she (Joyce) was somewhere close or on the Rt 30 side of town.That is how she ended up in the trailer. Not cause she was poor. I never lived there. I went over for breakfast and meds...meaning I cooked breakfast at my house and took her a plate.

Rita - What was your job, again?

Corrie - Did what she needed, then checked on her at night.Then I was a Driver's Ed Instructor. I taught classes everday...often if she wasn't well Gen (Corrie's daughter) stayed with her.Weekends, I taught Saturdays and drove Sundays.

Rita - OMG! Then you were with assholes all day...sorry.

Corrie - Driving I could stop in or get stuff easy...Lol teenagers.

Rita - You must have nerves of steel.

Corrie - Lol. I liked it but I went into drug and alcohol counseling for better money. But I wasn't helping Aunt Joyce then. You know Mary and Joyce forged a theft of jewelry for thousands of dollars? Against Joyce's insurance.

Rita - What?

Corrie - Mary got scared and wanted me to cover if they got caught…I said no.
Mary filled out paperwork that jewelry was stolen…over $2,000 dollars worth. They got a check…cashed it…spent it.

Rita - Why did Joyce not move her ugly furniture to the trailer?

Corrie - She gave Mary her couch before that. I think she got new. I think chairs, if I remember. She moved them. Remember she did.

Rita - All she had when I visited was that ugly lift chair.

Corrie - Flowered couch with blue stripes and huge roses…yeah couch went to Mary.

Rita - I was shocked at how little was in the tailer that's why I thought she had no money.

Corrie - Joyce moved to Buckeye St. with Mary…then they got in a fight and Joyce moved to Elm.Then made up to Mary…moved Mary to Elm.Then fought…moved by me…Mary would not speak to her (Joyce)Then back to Orrville in the slums. Can't believe they moved her there…where people get shot.Then Phyllis moved her (Joyce) to Mt. Vernon.Then nursing home best I know. I thought Mary had balls wanting my help over the insurance fraud. Lol

Rita - Never knew about the slums. Several times I drove up and met her and Mary at Sandusky for lunch. Mary never mentioned you.

Corrie - It was just a bad apartment complex…known for bad things…no.

Rita - Where Mary lived was pretty bad.

Corrie - They were fighting when they came to visit you. But Aunt Joyce gave her money….No…Only really the one apartment complex is bad —Lamp Light Court , Ella St. Orrville is a nice town. It is just it used be if something bad hap[pend it happened there.
